

# Altona Memory Garden

Memory is the best of all gardens. Therein, winter and summer, the seeds of their past lie dormant, ready to spring into instant bloom at any moment the mind wishes to bring them to life.”

– Hal Boyle

If you or a loved one has lost someone and would like to plant a tree, shrub or a perennial grass in his or her memory, you can do so at our annual Memory Garden Service and planting ceremony. You can purchase a certificate at the Altona Recreation Office.

All Memory Garden bed designs and plants are from Morden Nurseries. After you have purchased a certificate, you or the person who you have purchased the certificate for will be contacted in May by our office to choose a plant from the plant list (provided) and for information about the Memory Garden Service.

Once the plant has been planted, tags labeling the plant will be placed by the base of the plant. A book will be placed in the shelter of Bed # 3 to refer to if you ever want to see who the other plants are in memory of or if you need to find your plant.

All plants will have one year warranty after being planted. Lifetime warranty is available for purchase.
